Job Title: WordPress Developer

We are looking for a skilled and passionate WordPress Developer with 2 - 3 Years of experience in developing and customising themes, implementing custom code, working with plugins, and building landing pages using popular page builders. The ideal candidate should be able to develop and maintain WordPress websites that are fast, responsive, and user-friendly.

Responsibilities:

- Develop and customise WordPress themes such as Thrive, Genesis, OceanWP, Astra, etc.
- Create custom layouts and functionalities using PHP, HTML, CSS, JavaScript, and jQuery.
- Build and maintain landing pages and websites using Elementor, Elementor Pro, Beaver Builder, and other page builders.
- Integrate and manage plugins as per functionality requirements.
- Optimise websites for speed, performance, and SEO.
- Debug and resolve issues related to themes, plugins, and responsiveness.
- Collaborate with design and content teams to convert mockups into working websites.
- Regularly update and maintain websites, plugins, and themes.
- Understand client/business requirements and translate them into functional websites.

Requirements:

- **Education:** Bachelor's degree in Computer Science, Information Technology, or a related field.
- **Experience**: 2 - 3 Years of experience in Word Press development.

- **Technical Skills:**

  - 2 - 3 Years of hands-on WordPress development experience.
  - Strong understanding of **custom theme development and modification.**
  - Proficient in **Elementor/Elementor Pro** and other page builders like **Beaver Builder.**
  - Good knowledge of **WordPress plugins** – installation, configuration, and troubleshooting.
  - Experience with custom coding using **PHP, HTML5, CSS3, JavaScript**
  - Ability to build responsive **landing pages** from scratch.
  - Familiarity with **SEO best practices**, **website performance optimisation**, and **Cross-browser compatibility.**
  - Knowledge of **WordPress admin dashboard** (for pages, posts, menus, media, etc.)
  - Basic knowledge of version control tools like **Git** is a plus.

⭐**Nice to Have:**

- Experience with Woo Commerce or multilingual WordPress websites
- Knowledge of ACF (Advanced Custom Fields) and CPT (Custom Post Types)
- Understanding of website security and backups.

Required Experience: 2 – 3 Years
No. of Positions: 1
Location: Rajkot NioTechOne Software Solution Pvt. Ltd.
Salary Range: Based on performance & current CTC
