## Job Description — Video Creator / Video Editor

 Rajkot, Gujarat

  Experience: 6 Months to 2 Years

---

## Job Role Overview

We are looking for a creative and passionate Video Creator who can produce engaging video content for digital platforms. The ideal candidate should have strong editing skills, a creative mindset, and the ability to transform ideas into compelling visual stories that align with brand objectives.

## Key Responsibilities

- Create, edit, and produce high-quality videos for social media, websites, and marketing campaigns
- Plan and execute video shoots including camera setup, lighting, and audio
- Collaborate with marketing and content teams to understand project requirements
- Edit raw footage into engaging videos with transitions, effects, and sound design
- Add captions, graphics, and animations to enhance viewer engagement
- Ensure all content aligns with brand guidelines and messaging
- Stay updated with the latest trends in reels, short-form content, and video marketing
- Manage multiple projects and deliver within deadlines
